Remotely Managed Multilock system  
with OTC

**PulsePRO**  
New lock generation  
with Audit PRO

For 35 years we have made security a daily business for the protection of things and people.

Founded in 1983 with the aim of providing the market with a complete range of professional products, Tecnosicurezza today is a consolidated reality in the field of safe locks and closure and control systems for safes.

We would like to thank you for your part in our success and we look forward to serving you for the next 35 years and beyond!
